Thank you for your continued business, loyalty and support!

The ITC Team

ILME Squich

ILME SQUICH push-down inserts have provided easy quick-connect solutions for a variety of industrial machinery in rugged industrial environments. With the SQUICH push-down technology, no tool is required to install solid and or stranded wires (up to 14AWG) to the contacts in the connector.

- Quick - reduced wiring time
- Easy - no need for wiring tools
- Safe - resistance to vibration
- Universal - suitable for any wire

ICS Inductive Proximity Sensors

M8
M12
M18
M30

This family of cylindrical sensors in the common sizes M8, M12, M16 and M30 are extremely accurate and represent the optimal choice for non-contact detection of metal targets, at distances up to 22mm.

- Connection: M8, M12 or 2m cable
- Operational Voltage: 10 - 36 VDC
- Sensing distance: 2 - 22mm
- IP Rating: IP67
- Approvals: cULus

ALFRA TriCut Punching Tools

ALFRA TriCut Punch/Die sets are the ideal tool to punch round holes in mild steel plate:

- Punch mild steel plate up to 3.0mm thick
- Metric, Pg and NPT knockouts from 12.5mm (1/2") to 63.5mm (2 1/2")

NOARK

Ex9S Manual Motor Starters

Ex9S Manual Motor Starters provide manual isolation, manual motor control, and overcurrent protection.

- Built-in fault indication
- Lockable handle
- Full range of accessories
- UL Type E & F protection
- **Rated Current: Up to 80A @ 600Vac**
- Approvals: cULus

Strap Clamps

Strap clamps (also known as P-CLIPS) are simple, cost-effective devices for efficiently securing wires, cables, pipes and small tubing and metal rods. A simple accessory that finds numerous applications.

- No adhesives, no special tools
- Sizes from 3.2mm (0.126") to 36.7mm (1.445")
- Natural or black colour plastic
- Stainless steel (rubber protected) models are available

DINBASE - Simple Mounting Device

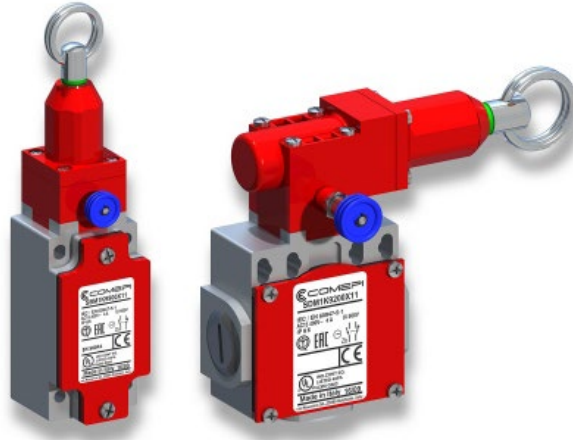

If you need to mount on a standard 35mm DIN rail a device which is not equipped with a foot clip, ITC's DINBASE is the solution.

- Sturdy steel support measuring 92x28x11mm (3.6x1.1x0.4")
- Mounts on any 35mm rail, fixed by a single screw
- Equipment attached with 2 sliding caged nuts

Rope Pull Switches

COMEPI's rope pull safety limit switches with manual reset are an efficient solution for emergency stops along all a production line perimeter.

- **Body material:** ZINC / aluminium alloy
- **IP Rating:** IP66
- **Approvals:** CSA, cULus

Jokari Tools

JOKARI-Krampe GmbH is a specialist in high-quality precision wire stripping and cable dismantling tools.

NOARK

Soft Starters

Soft starters offer ramping up the voltage applied to the windings of a three-phase motor during the start-up phase, to prevent the detrimental electrical and mechanical effects which occur in case of a direct start.

- Multiple programmable modes of operation
- **Protection against:**
 - Phase loss or unbalance, Overload, Over and under voltage, Locked rotor and Starter timing
- **Rated current:** 15 to 1000A
- **Main voltage:** 200 to 690VAC
- **Approvals:** cULus

NOARK

UL 489 Miniature Circuit Breakers

Miniature Circuit Breakers offer thermal magnetic protection against short circuit and overload conditions, in compliance with UL/CSA/IEC standards for branch circuit protection in commercial and residential applications.

- **Status indicator:** red/green
- **Poles:** 1,2, 3
- **Trip curves:** B, C, D
- **Interrupting capacity:** 10 kA
- **Approvals:** cULus

DTS Distribution Blocks

- Compact
- Cable fixing screw diameters >95% fill ration: excellent electrical contact, safe connections
- Hinged or removable cover for easy wiring
- Visual inspection of wire: confirmation of connection
- **Material:** Tinned copper block: high conductivity
- **IP rating:** 1P20, finger safe
- **Approvals:** cURus

New & Improved Catalogs in 2023

ILME Multipole Connectors

Industrial Enclosures & Cabinets

Industrial Enclosures and Cabinets

- Non-metallic
- Aluminum
- Distribution enclosures
- Junction boxes
- Utility boxes

Since 1994, ITC is a trusted resource for industrial electrical and automation components. With over 10000 different parts available from its Toronto area warehouse, ITC provides the perfect blend of dependable stock, quality products, fair pricing, and friendly, knowledgeable service.
